

Target Sprint Safety Certificate

(Air Rifle-Target Sprint) 2018-2020

Expiry 31st Dec 2019

Assessor: (Target Sprint Educator, Leader or British Shooting Authorised Personnel.	
Name:	County of delivery:
Contact Email Address:	

ACTION: ASSESSOR TO RETAIN THIS DOCUMENT. ATHLETE TO ACTIVATE ON www.TargetSprint.com

I certify that:(D.O.B:) has satisfied the following requirements and is able to:

Describe/State:

	GENERAL	
1	The general format of a Target Sprint race.	
2	Basic clothing & footwear regulations and recommendations.	
3	Where to locate the Target Sprint website and Social Media channels for further information.	
	SPRINTING	
4	Understanding of the physical importance of warming up and cooling down to prevent physical injury	
5	Understand the importance of seeking advice and guidance from a formally qualified running coach.	
6	Changeable weather conditions may affect the ground state and why caution when running should be taken.	
	SHOOTING	
7	Understanding that the person in charge of the Target Sprint range (Shooting Director) has overall control of the shooting area and his/her decision is final.	
8	Infringements and penalties for: a. Handling or carrying an uncased air rifle in public areas. b. Having a loaded air rifle anywhere other than the firing point. c. Loading and handling the air rifle at the firing point with undue care and attention. d. Not placing air rifle safely on the table or in rifle rack provided, after the warm-up or shooting series. And understand why these are important	
	TRANSITION	
9	Understand the importance of entering and exiting the shooting range safely.	
10	Mindfulness of other competing athletes, by not crossing their firing point boundary or impede their running direction.	

Demonstrate:

1	The shooting position, raising, aiming, firing and lowering.	
2	How to make an air rifle 'safe' when uncasing, during the competition and before re-casing.	
3	How to enter and exit the Target Sprint firing point in a safe and controlled manner.	
4	An ability to keep the rifle pointing in a safe direction at all times	
5	What to do in the event of an air rifle malfunction or loading error.	
6	Actions in the event of a 'stop' command.	
7	The definition of an air rifle in the 'safe' condition.	

Necessary Experience and Consistency:

1	Accuracy - 4 out of 5 shots should be within the scoring zone (within 1 ring) on the 10m ISSF Air Rifle target, or better.	
2	Training and experience with the knock-down targets and Target Sprint Event.	

Target Sprint Safety Certificate

(Air Rifle-Target Sprint) 2018-2020

Expiry 31st Dec 2019

I (athlete) confirm that:

1. I'm aware of the need for sportsmanlike behaviour, language, courtesy and the points outlined in the British Shooting Athlete Code of Conduct, and should be maintained at all times in competition and can state the consequences of non-compliance.
2. I understand that this certificate **expires on 31st December 2019** and thereafter will require renewal.
3. I'm required to bring my Certificate Card attained here, to any British Shooting delivered event in order to compete. (And any competition where indicated in the entry information). Safety Certificates can also be attained at these British Shooting delivered events.
4. British Shooting has the right to revoke the Certificate or request a re-test if, in the opinion of the Shooting Director, I have not reached the standard required. There is no right of appeal.
5. If I lose my Target Sprint Safety Certificate Card, I can attain another from British Shooting at a cost of £5.
Contact: admin@BritishShooting.org.uk
6. I'm happy to be contacted via email by British Shooting only, with further information and opportunities.

Athlete:	
Name:	Date:
Signature: <i>(If the athlete is under the age of 18 years, signature of parent/guardian is required).</i>	
Full name of signatory if different not the athlete:	Relation to athlete:
